Dear ANNE KING:

The Immigrant Visa Unit is processing the below-referenced case and has scheduled a visa interview appointment for the applicants listed below. All such interviews occur at the U.S. Consulate General in Montréal, where your application and documents will be examined and you will be interviewed by a consular officer. Please plan to spend the entire day at the Consulate.

If you are not ready to immigrate within the next six months please contact the Immigrant Visa Unit to reschedule your appointment. Please send an e-mail to montreal-iv-dv@state.gov with the subject line "Re-schedule IV appointment." If you fail to pursue this visa application within one year of the date of this appointment letter, the petition and application in this case will be cancelled.

The U.S. Consulate General is located in downtown Montréal, at 1155 Rue St-Alexandre between Boulevard René Lévesque and Rue Ste-Catherine. Each family member planning to immigrate must appear on the appointment date, subject to the exceptions noted in the personal appearance instructions at http://travel.state.gov/visa/immigrants/info/info_1335.html. To request a waiver of the personal appearance of a child under the age of 14, please contact the Immigrant Visa Unit by email at montreal-iv-dv@state.gov.

If you have not paid all of the fees due to the National Visa Center, please be prepared to pay the remaining fees. Please note if a person is found ineligible to receive a visa, the application fee cannot be refunded. For an immigrant petition filed in Canada, the fee of \$400.00 US for each applicant must be paid in cash or by credit card on the day of your interview. For K visa applicants, the machine-readable visa (MRV) fee of \$131.00 US or the Canadian dollar equivalent must be paid in cash on the day of your interview.

Each intending immigrant, regardless of age, is required to have a medical examination. To schedule a medical examination, please see the enclosed instructions or visit http://travel.state.gov/visa/immigrants/info/info_1335.html.

Please bring to your interview the original and one copy of the following documents as applicable, for each applicant:

- The appointment letter showing the date and time of your interview
- Passport valid for at least 6 months beyond the date you plan to enter the United States
- Birth certificate
- Adoptions decree (s)

The following items are prohibited inside the U.S. Consulate:

- Food and beverages;
- Weapons or tools;

The following persons may accompany a visa applicant during his or her visit to the Consulate:

- Attorney: Attorneys are not permitted to accompany applicants inside the Consulate.
- U.S. Citizens: A U.S. Citizen may accompany you.

If your visa application is approved, we will put your visa in your passport and send the completed visa packet and passport to you in the Xpresspost mailer you provide. An immigrant visa is usually valid for six months from the date of issuance. You must travel to

the United States and apply for admission as a permanent resident within the visa's validity period. If you currently reside in the U.S, on a non-immigrant visa, you may be able to pick up your passport with visa and visa packet in the afternoon of the next business day after your interview. Unless you need your passport for travel, you may return to your address in Canada on the day of you interview.

Do not make any travel arrangements to move to the United States, dispose of property or give up your job until a visa has been issued to you. A consular officer can make a decision regarding your visa application only after your formal application and all documents have been reviewed, and you have been personally interviewed by a consular officer.

Thank you for your cooperation. We look forward to seeing you at your appointment.

Sincerely,

Immigrant Visa Unit
