

Declaration of Amos Moses
1421 Old Hickory Blvd
Nashville, TN 37222
(615) 222-2222

To: United States Citizenship and Immigration Service
United States Department of State

I, Amos Moses declare,

I am a citizen of the United States and I am Tim's friend. I am a self-employed hunter and fisherman and I have known him and her since they first met back in October of 2011.

I remember when they first met on a chat room for some computer game thing in 2010. Tim surfs the net when he is supposed to be working and all day they would talk and play. Tim is kind of a computer geek and so is Anne. He went up to visit her in September of 2010. They kept talking then she come down to visit from Canada in October of 2011 and they really hit it off. She is pretty – she kinda looks like Angelina Jolie. They went to Texas for some kind nerd festival where people dress up like star wars. Yep it is real and they really love each other.

I believe their relationship is genuine and not for an immigration purpose. Please approve of Tim and Anne's application for her visa and eventually for her permanent residency.

I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE UNITED STATES THAT THE ABOVE DECLARATION IS TRUE AND CORRECT.

Executed of this 28 day of November, 2011, at Nashville TN

Name: Amos Moses
